PROFESSIONAL EXPERIENCE

Colon Hyphen Bracket R&D (Independent Lab — Full-Time Focus Sep 2024–Present) | **Principal Strategy & Operations Lead (Founder's Office & R&D)** | **DEC 2018 - PRESENT**

- **Financial & Compliance Analytics Infrastructure (Marigold Insights):** Architected and deployed a zero-egress financial and civic audit workbench (SQL / DuckDB-WASM) processing 2,000,000+ records with probabilistic entity resolution and PII shielding for institutional compliance and risk analysis.
- **Marketplace Monetization & AI Operations Automation (Pipes Protocol & Greater-Than):** Designed 70/30 marketplace royalty settlement operations, automated multilingual distribution pipelines across 90+ languages, and zero-server AI support automation cutting support overhead.

Custodia Bank, Inc | **Lead Product Designer (Founding Product & Regulatory Ops Lead)** | **JAN 2022 - SEP 2024**

- Worked directly alongside the CEO, CPO, Chief Legal Officer, and CFO at a chartered Wyoming SPDI bank ($70M+ raised) to translate Federal Reserve examination requirements into auditable operational workflows and internal tooling.
- Delivered the 30-day Federal Reserve core banking prototype and operationalized end-to-end internal consoles for BSA/AML compliance, KYB/KYC onboarding, treasury management, Fedwire/ACH settlement, and segregated custody across 100+ sprints.

PredictiveUX (Advisory Contract — Walmart Global Tech) | **Senior Enterprise Systems & Operations Architect** | **OCT 2021 - OCT 2022**

- Led cross-functional discovery and operational search architecture for Walmart's internal associate platform serving 3,000,000+ global employees, reducing operational knowledge retrieval friction at Fortune 1 scale.
- Structured clinical decision support and diagnostic triage operations workflows (RecoverX) for hospital care teams.

Optum & UnitedHealth Group | **Senior Product Experience Designer (Executive Strategy & R&D Group)** | **JAN 2020 - OCT 2021**

- Operated inside an internal McKinsey-style executive consulting and R&D unit, leading C-suite and VP alignment workshops across Fortune 5 healthcare business lines.
- Stepped in during an unexpected leadership transition to stabilize operations and roadmap execution across flagship mobile platforms serving 35M+ patients and 400K+ employees.
- Authored the strategic and financial business case to adopt native Apple Health integrations over custom engineering builds, unlocking an estimated $100M+ in enterprise revenue impact.

BLDG-25 | **Design Director** | **JAN 2018 - DEC 2019**

- Managed key enterprise client P&Ls and a cross-functional delivery team, leading nationwide inventory and supply-chain tooling modernization for Martin Marietta.
- Served for 2 years as embedded strategic lead at Fidelity Investments' Raleigh R&D center and structured enterprise governance workflows for IronNet Cybersecurity.

UltraLinq Healthcare Solutions | **Design Director** | **JAN 2016 - DEC 2017**

- Built the internal product design function and led FDA human-factors, HIPAA compliance, and hospital operations readiness across cloud imaging SaaS and cardiac telemetry devices.

Foodler.com (Acquired by Grubhub) | **Director of Business Operations** | **JAN 2010 - DEC 2015**

- Promoted from Customer Service Representative to Director of Business Operations within 18 months, overseeing two-thirds of company headcount and operations—including finance/billing, customer support, merchant operations, and tier 1–2 technical support across $500M+ in order volume.
- Built and operationalized a deterministic payment fraud and chargeback risk engine that reduced annual fraud losses by 83% (from $6M to under $1M) in direct coordination with local law enforcement and the FBI.
- Drove unit-economic optimization and merchant workflow automation that powered a 10x revenue expansion and successful strategic acquisition by Grubhub.
